The reference No. 258 of 1980 has been referred to this court by the Hon'ble Governor of Haryana,—*vide* his order No. ID/FD/26/80/23297, dated 6th May, 1980, under section 10(i) (c) of the Industrial Disputes Act, 1947, for adjudication of the dispute existing between Shri Suraj Mal and the management of M/s Alfamet Private Limited, Sector 24, Faridabad. The term of the reference was :—

After receiving this reference, notices were issued to both the parties for 3rd July, 1980. Both the parties appeared and prayed for a date for settlement. On 3rd September, 1980, Shri R. N. Rai, representative of the management, made a statement before this court that the workman had settled his claim under section 18(1) of the Industrial Disputes Act. The copy of the settlement is Ex. M-1. Now nothing remained due to the workman. This statement of the representative of the management was also agreed to by the representative of the workman Shri Darshan Singh. He also stated that the workman had settled his dispute with the management. Now nothing remained due to the workman.

In the light of the above statement made by the parties, I hold that the demand raised by the workman has been duly satisfied. There is now no dispute remains to be adjudicated upon between the parties.

Shri G.S. Chaudhry, for the respondent.

AWARD

This reference No. 7 of 1980 has been referred to this Court by the Hon'ble Governor of Haryana,—*vide* his order No. ID/FD/29/79/910, dated 9th January, 1980, under section 10(i)(c) of the Industrial Disputes Act, 1947, for adjudication of the dispute existing between Shrimati Syamala, workman and the management of M/s Indogem, Plot No. 99, Sector 6, Faridabad. The term of the reference was :—

Whether the termination of service of Shrimati Syamala was justified and in order ? If not, to what relief is she entitled ?

After receiving this reference,, notices were issued to both the parties who appeared and filed their pleadings. On 29th February, 1980, the issues were framed by my predecessor, but on 17th July, 1980, Shri G.S. Chaudhry, authorised representative of the management, made a statement before this court that the management is ready to take back on duty the workman with continuity of service from 18th July, 1980, but she will not be paid wages for the absence period. He also agreed that if the management did not take her on duty from 18th July, 1980, the management will pay her full wages. The above-said statement of the management was also agreed to by the workman herself. She further stated that she wants to work with the respondent concern. The workman states she only forgave wages for un-employed period.

In view of the statement made by the parties, I hold that the workman is reinstated with continuity of service, but the workman will not claim the wages for her unemployment period. The workman was to join her duty on 18th July, 1980.

This be read in answer to this reference.

The 3rd November, 1980

No. 11(112)-80/8Lab/11444. In pursuance of the provision of section 17 of the Industrial Disputes Act, 1947 (Act No. XIV of 1947), the Governor of Haryana is pleased to publish the following award of the Presiding Officer, Industrial Tribunal, Faridabad, in respect of the dispute between the workman and the management of M/s Bhogals, Mathura road, Faridabad.

BEFORE SHRI M. C. BHARDWAJ, PRESIDING OFFICER, INDUSTRIAL TRIBUNAL,
HARYANA, FARIDABAD

Reference No. 232 of 1978

between

SHRI SHISH NATH SHARMA, WORKMAN AND THE MANAGEMENT OF M/S BHOGALS,
MATHURA ROAD, FARIDABAD

Present —

Shri P. K. De, for the workman.

Shri J. S. Saroha, for the management.

AWARD

By order No. 31972, dated 12th July, 1978, the Governor of Haryana referred the following dispute between the management of M/s Bhogals, Mathura Road, Faridabad and its workman Shri Shesh Nath Sharma, to this Tribunal, for adjudication, in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947:—

“Whether the termination of services of Shri Shesh Nath Sharma was justified and in order? If not, to what relief is he entitled?”

On receipt of the order of reference, notices were issued to the parties. The parties appeared and filed their pleadings. On the pleadings of the parties, following issues were framed on 6th March, 1979 :—

- (1) Whether the workman himself abandoned his job? If so, to what effect?
- (2) Whether the termination of services of the workman was justified and in order?
- (3) Relief.

And the case was fixed for the evidence of the management. The management examined Shri M. Bhardwaj, their Administrative Officer, as MW-1 and Shri Bishambar Dayal, Supervisor, as MW-2 and closed their case. Then the case was fixed for the evidence of the workman. The workman examined himself as his own witness and closed his case. Then the case was fixed for arguments. Arguments were heard. I now give my finding issueswise: —

Issue No. 1. — MW-1 stated that the workman remained absent from 30th November, 1977 to 30th December, 1977 without any intimation to the management. The management wrote letter to the workman copy Ex. M-1 but the workman did not join duty even thereafter. Again a letter was sent to him. He produced attendance register in which the workman was shown absent on 31st November, 1977 and further up to 31st December, 1977. Thereafter a remark "struck off due to long absence". His name was not carried in the month of January, 1978. In cross-examination the witness stated that no information was received of admission of the workman in the ESI on 30th November, 1977 or thereafter. He denied the suggestion that the workman came to the factory on 27th January, 1978, with a fitness certificate. He also denied that the workman performed his duties on 28th January, 1978. MW-2 stated that the workman joined service on 1st July, 1977. He produced from the payment of Wages Register that the name of the workman did not appear prior to the month of July, 1977. WW-1 stated that he joined the services from 6th January, 1976 and worked continuously up to 29th September, 1977. He further stated that he had given an application for leave because he was operated upon. He produced Exhibit W-1 discharge slip.

The representative for the management cited 1977 LLN page 349 in which it is held that where an employee unauthorisedly remains absent for a period exceeding 15 days and there is a provision in the standing order the management could treat the unauthorised absence as a case of automatic termination of service by the employee. He also cited 1977 FLR page 261, and 1973 1 LLJ Page 561. He drew my attention to clause 16(4) of the model standing orders applicable to the State of Haryana where the absence without sanctioned leave of more than 10 days is treated as loss of lien of appointment. The representative for the workman argued that the workman was not at fault because he was in the hospital and he further argued that the workman had informed the management of his illness but he could not give any proof of his information to the management. After going through the documents and other material on record, I am convinced that the workman was absent from his duties during the month of December, 1977. The workman has failed to prove that he had sent any application or information to the management regarding his illness or applying for leave on that account. His case sparsely falls within the ambit of standing orders and rulings cited above. Therefore, I decide this issue in favour of the management.

Issue No. 2. — On my finding on issue No. 1, I hold that this is not a case of termination of service.

Issue No. 3. — The workman is not entitled to any relief.

While answering the reference, I give my award that the management did not terminate the services of the workman rather the workman abandoned his job of his own. The workman is not entitled to any relief.

Dated 30th September, 1980.

Presiding Officer,
Industrial Tribunal, Haryana,
